1st Semester at A&M _____ T F

NOTE: This is NOT an official document; for advising only. Consult the published Texas A&M University Catalog for complete curriculum requirements and listing of pre/co-requisites.

INSTRUCTIONS: Use the small check-boxes for each course to record the semester you take the course (00A, 00B, or 00C) and your final grade. Fill in pre/co-requisite bubbles as completed.

NOTES: Bold course boxes offered once per year: "C" denotes Fall Semester, "A" denotes Spring Semester
 Bold "W" denotes a writing intensive course
 All courses are 3 credits unless specified by an (.).
 Arrows indicate (solid) prerequisites and (dashed) corequisites. Failure to meet a pre/co-requisite may result in being dropped from a class.

NOTES: ¹To be selected from the University Core Curriculum. Of the 18 hours shown as University Core Curriculum electives, 3 must be from visual and performing arts, 3 from social and behavioral science, 6 from U.S. history, 6 from POLS 206 and 207, and 6 from international and cultural diversity. The international and cultural diversity requirement may be met by courses satisfying the visual and performing arts, social and behavioral sciences, and the political science and history requirements if they are also on the approved list of international and cultural diversity courses.

²This elective is to be selected from ENGL 210 or 301.

³The technical elective program must be approved by the department head or the undergraduate advisor. Technical electives are chosen from the approved technical elective list, and at least 3 credit hours must be engineering design.

⁴A grade of C or better is required for these ocean engineering courses.
