

Ocean Engineering Program
Zachry Department of Civil Engineering
Dwight Look College of Engineering

Change of Curriculum Form

This application is required for students at Texas A&M University in another major who would like to change their major to Ocean Engineering. Please fill out all sections of the form below.

Name:	Date:	UIN:
Local Address:	Permanent Address:	
Phone:	Cell:	
Email:		
Current Major:	# of Semester Attending A&M:	

What attracts you to Ocean Engineering rather than another engineering discipline (civil engineering, mechanical engineering, etc.)?

What are the main factors that influenced your decision to change curriculum?

Do you have any other comments you believe should be considered in evaluating your request to change curriculum?
